« Membranes & Bioactive lipids »

October 26th - 28th, 2011 • INSA-Lyon • France

Special dedication from **Walter Shaw – Avanti Polar Lipids, Inc.** to
GERLI meeting

This 8th LIPIDOMICS MEETING on MEMBRANES and BIOACTIVE LIPIDS serves as an important gathering to present exciting new data in the rapidly expanding field of Lipidomics, to discuss the implication of these data to the general scientific community and to further the understanding of lipid-protein interactions.

Avanti considers contributing to this conference an integral part of our duty to support the lipid research community.

Due to an unavoidable schedule conflict it is impossible for us to join you in the enlightening discussions that are sure to occur over the next several days.

We wish you a successful meeting and look forward to seeing you at future conferences.

Cordially,

Walter Shaw

A new Web site

<http://www.gerli.com/>

The screenshot shows the top section of the GERLI website. On the left is the GERLI logo. To its right are two navigation tabs: 'LIPIDOMYSTES' (green) and 'CYBERLIPID' (dark blue). Further right are links for 'Mon Compte' (with a lock icon), 'Emplois' (with a person icon), 'Petites annonces' (with a megaphone icon), and 'Liens utiles' (with a chain link icon). A search icon and language selectors 'FR' and 'EN' are on the far right. Below these is a horizontal menu with red buttons for 'ACCUEIL', 'SOCIÉTÉ', 'ACTUALITÉS', 'CONGRÈS', 'ADHÉSION', 'PRIX', and 'CONTACT'. The main banner features an aerial view of a historic town with a large church. Overlaid on this is a dark box containing the text: 'GERLI 14TH INTERNATIONAL LIPIDOMICS MEETING', 'Saint Maximin La Sainte Baume FRANCE', 'Hotel le Couvent Royal', 'September 30 - October 3, 2018', and a red button with 'En savoir +'.
