We recommend that you stay in <https://cdt29.media.tourinsoft.eu/upload/Plan-Touristique.pdf> as it is where you will have public transports, shops, restaurants and bars. In Brest, we recommend that you stay in area close to a tram and/or bus (lines 2b) stations to commute easily to the conference venue and the city center (and close to a Boulangerie, because you cannot start a day without a French croissant).
